

## Turn2us challenge event terms and conditions

For those with a charity place, or using a sponsorship or mixed fundraising model:

- I understand that the event is not organised by Turn2us, but by a third-party event organiser. It's my responsibility to read any terms and conditions issued by the event organiser and comply with these.
- I am medically and physically fit and understand that I take part in this event at my own risk. Turn2us will not be held responsible for any injury or illness related to my training or taking part in this event.
- I acknowledge that Turn2us is unable to provide insurance for fundraising activity and that I am responsible for securing appropriate insurance cover if required for my fundraising activity.
- I acknowledge that all funds raised for Turn2us are held on trust and I am legally obliged to ensure that Turn2us receives the donated funds.

Your Fundraising promise:

1. I commit to raising at least 50% of the fundraising target 2 months before the event.
2. I understand that matched giving does not count towards the minimum sponsorship target and that I must raise the full target before this is applied.
3. As Turn2us is providing with your London Marathon place, be aware that the following people are not eligible to tick the Gift Aid box on either your sponsorship form or your online fundraising page
  - You
  - Your wife, husband or civil partner
  - Your brother or sister
  - Your ancestor eg parent, grandparent
  - Your Lineal descendant eg child, grandchild
  - Someone married to one of the above
  - A company under the control of any of the above
4. I understand that Gift Aid won't count towards my fundraising target.
5. I understand that Turn2us will need to share my name and email address with the event organiser and any other third parties involved in the administration of the event. When the event organiser contacts me, I understand I must complete the form before the deadline stipulated. I understand that if I fail to do this, the race organiser won't allow me to take part in the event and my place will be cancelled. My registration fee (if paid) will also be non-refundable.
6. If I'm unable to take part in this event, I will notify Turn2us by email as soon as possible.

7. I understand that, should I need to defer my place, Turn2us will endeavour to allow for this but cannot guarantee a place. To qualify for a deferred place, I must meet the below criteria:
- I have raised at least 50% of my fundraising target by the specified deadline. For most events this will be 4 weeks before the event. For the TCS London Marathon, the cut-off is 10 weeks before the event.
  - I haven't deferred my entry for this event before.
  - I've notified Turn2us of my wish to defer ahead of the deadline. This is 4 weeks before for most events, and 8 weeks before the TCS London Marathon
  - I may only defer for one year.
  - Once the deferral has been confirmed, all monies raised will be transferred over to next year's event.
